

# Prayer Curriculum for Groups

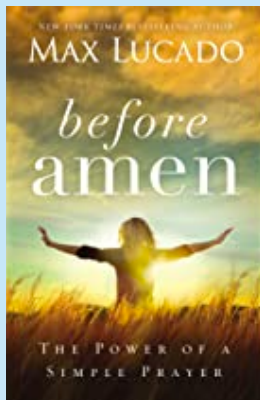

## Featured:

Pete Greig's Prayer Courses are excellent! They are accessible, but still challenging. They are also free! Prayer Course I is 8 weeks, Prayer Course II is 5 weeks. Both have weekly leader guides and 20-30 minute videos. No homework!

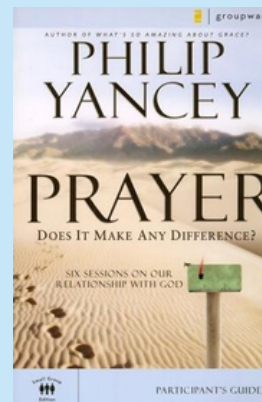

(Click on the photos for more info!)

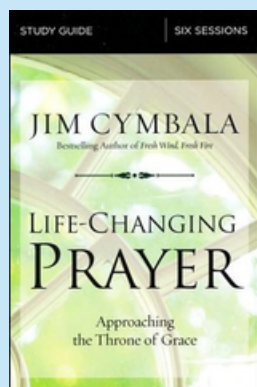

## Other Recommended Studies on Prayer:

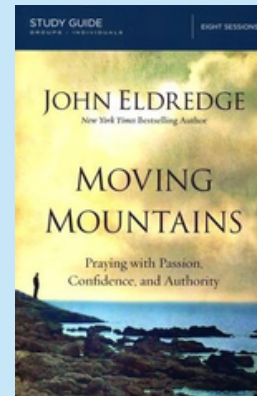

A 4-week small group study designed to help you build a prayer life that is stronger and deeper. It is a video-based study with 20 minute videos. Recommended between sessions practice but no homework. Groups have loved this!

A 6-week small group that answers questions about prayer...like does it really make a difference? It is a video-based study with 15 minute videos. Optional personal reflection between sessions. Also recommended by other groups.

A 6-week small group study that explores how prayer can transform your life & the church. It is a video-based study with 25 minute videos. Optional personal reflection between sessions but no homework. Cymbala is an important voice on prayer!

An 8-week small group study that examines why we pray, how we pray effectively & what we can expect to receive when we pray. It is a video-based study with 15 minute videos. Optional personal reflection between sessions but no homework.
